

December 2011

### Season's Greetings!

This has been another exciting and successful year here at Bloomfield Community Television. As of early December we have produced close to 600 shows and are still going strong. We couldn't have done it without the contributions of our producers, volunteers and friends.

Our community producers, volunteers and production staff continue to turn out shows of exceptional quality. Studio Coordinator David Sommerfeld won a prestigious 2011 Telly Award for his direction and editing of the program *287*. This year we have added four new ongoing series – *Bloomfield in Focus*, *Elizabeth's Kind Café*, *Our Kids* and *Personality Profiles*, and one limited series, *Outdoor Grilling and Smoking*, to our lineup of shows produced by local residents. We continue to serve over 30 nonprofit groups as well.

This year, for the first time, we began televising Bloomfield Township Board of Trustees meetings. We are currently in the process of installing equipment that will allow us to present live telecasts of these and other Township meetings.

BCTV continues its relationship with the Birmingham Area Cable Board with the renewal of our contract to tape and air programs originating in Birmingham, Beverly Hills, Franklin and Bingham Farms. We are now covering some Birmingham Schools sporting events for the BACB. We're pleased to enjoy a mutually beneficial relationship and work so closely with our neighboring communities.

We value your contribution to the success of BCTV. Thank you for your involvement and support. We wish you the very best during the holiday season and in the New Year!
