STATE OF MICHIGAN  
COUNTY OF OAKLAND  
CHARTER TOWNSHIP OF BLOOMFIELD  

ORDINANCE NO. 660  

An ordinance to amend Chapter 42, Zoning, of the Code of Ordinances of the Charter Township of Bloomfield to regulate smoke shops and tobacco stores, and body art facilities in the Township.

THE CHARTER TOWNSHIP OF BLOOMFIELD ORDAINS:  

PREAMBLE  

The Township finds it necessary to regulate smoke shops and tobacco stores as a matter to preserve the public health, safety and welfare of the community. The Township has enacted this ordinance in order to limit the concentration of smoke shops and tobacco stores resulting in undesirable impacts to the community. Among these impacts are increased potential for tobacco sales to minors, greater opportunity for the sale of illegal drug paraphernalia that is marketed as tobacco paraphernalia, and heightened risk of negative aesthetic impacts, blight, and loss of property values of residential neighborhoods and businesses in close proximity to such uses. In addition, to safeguards the health, safety and welfare of the public from the spread of infectious diseases from practices which prick, pierce, or scar the skin, the Township also finds it necessary to regulate the operation of body art establishment in the Township. This Chapter contains amendments consistent with good zoning and planning practices to address such negative impacts of smoke shops and tobacco stores or body art facilities while providing a reasonable number of locations for such shops, stores and facilities to locate within Bloomfield Township.
