Christine's' Comments

Dear Friends,

Membership

For years, my elder friends have said time "speeds up" as you move through life; now, in my 40's, I am truly feeling it. One benefit of this phenomenon is that we are modifying our membership renewal procedures -*primarily because they seem to get closer together each year!* Rather than requiring annual renewal for the free Bloomfield Township resident membership, we will be rolling you into the next membership cycle automatically. By all means, we will remove anyone at their request; but this change offers savings in staff/volunteer hours, printing costs, your time and even trees!!

For our nonresident members, please activate your renewal for 2007 via phone, website or by mailing a check. Please see the cover for further Membership details.

Name change to "Bloomfield Township Senior Services"

With our alignment in governance to the Township, solidified by the designated Senior Service Millage of 2004, and the inclusion of the Senior Center in the recent Bond Project, the final name can now be implemented. BTSS has been elevated to the level of other essential Township services offered to strengthen and serve our residents and that is reflected in this name. BTSS identifies our primary source of funding, leadership by our Board of Trustees, and a commitment to our residents. (Checks still payable to Bloomfield Township)

VOLUNTEER OPPORTUNITIES

BTSS Home Delivered Meals Driver

How about giving a new meaning to "Let's Do Lunch"? The Bloomfield Township Senior Services needs volunteer drivers for the Home Delivered Meals Program. Every weekday morning, Home Delivered Meals volunteers deliver much more than a hot meal. For Bloomfield area homebound seniors, the volunteers' visits mean contact with the outside world and the chance for them to remain in their homes. Meals are delivered in the morning, Monday through Friday. Volunteer drivers generally deliver meals once a month on a set schedule. Consider making a monthly lunch date as a Home Delivered Meals volunteer and get some real nourishment that's good for your heart!

BTSS Adult Day Service Volunteer

Volunteers are being recruited to assist at the BTSS Adult Day Service. The ADS offers enrichment activities to memory impaired individuals, who are in need of a structured setting while their family members are at work or require respite time. Volunteers will be directly involved with the program participants. The BTSS Adult Day Care is open weekdays (8:30 AM – 4:30 PM). Training session will be scheduled this spring, date TBD.

BTSS Office Volunteer

Do you enjoy meeting new people? Office Volunteers generally answer phones, direct calls, greet visitors, take registrations for trips and programs and help the staff with miscellaneous assignments. Also our OV's have the opportunity to use our online software training tutorials. Office volunteers work either 9 AM –12:30 PM or 12:30–4 PM Monday through Friday, weekly or once a month.

For information about BTSS volunteer opportunities, please contact *Joan Patzelt* at 341-6450.
