

2016 CONSTRUCTION

South of Adams Road to South Boulevard

Existing

Improved

Remove left-hand ramps to improve safety at the interchange

PLANNED IMPROVEMENTS:

- Construct a HOV/Additional Lane
- Reconfigure Square Lake Road interchange to include right off- and on-ramps and remove left off- and on-ramps
- Reconstruct existing freeway lanes
- Replace bridges (Adams, Squirrel and Square Lake)
- Upgrade existing Adams Road carpool lot
- Review potential of a new Square Lake Road carpool lot on MDOT property
- Improve drainage system
- Connect with safety paths on Squirrel Road
- Incorporate community developed aesthetic improvements

Construct community developed aesthetic improvements

Concept of carpool lot improvements
