2024 PROPOSED SAFETY PATH ROUTES Public Open House

Since 2008, Bloomfield Township has been committed to be a safe, walkable community and through the Jan Roncelli Safety Path Program, the program has installed over 75 miles of safety paths around the Township. This year, the Township Board of Trustees reviewed and approved the opportunity to design and complete one additional route through our community, according to the 2008 Safety Path Master Plan. The Township invites you to participate in a public Open House on **Tuesday, November 28, 6:00pm to 8:00pm**, located at the Bloomfield Township Dave Payne Public Services Building, Lunchroom, to meet and discuss the following conceptual routes with Township Staff and engineers.

Proposed 2023 Design and 2024 Construction

Route 29a – Telegraph Road (W.Side) – Humphrey Avenue to Clinton River Trail (3,300 linear feet)

Bloomfield Township
4200 Telegraph Road
