The repaving (and associated construction items) of the roads within the Echo Park #1 and Echo Park #2 Subdivisions including, but not limited to, Copperwood Drive, Water Cliff Drive, and Copper Cliff Court.

The project consists of milling the existing roadbed and a bituminous (asphalt) pavement four (4) inches thick will be placed full width on the conditioned roadbed including a new concrete mountable curb and gutter as necessary. A limited amount of drainage improvements will be made to reasonably assure drainage of the pavement. All disturbed landscaped areas and driveways will be replaced with the same kind of materials that exist.

TAKE FURTHER NOTICE that the Township Board will meet on **MONDAY, MARCH 10, 2014**, at 7:00 P.M. in the BLOOMFIELD TOWNSHIP HALL, 4200 Telegraph Road for the purpose of hearing any objections to the improvements and to the special assessment district therefor.

In order to appeal the amount of the special assessment to the state tax tribunal, your appearance and protest at the hearing in the special assessment proceeding are required. Appearance and protest may be made by a property owner or party in interest, or his or her agent, in person, or such protest is permitted by letter, without the necessity of a personal appearance.
