Re: Community Development Block Grant (CDBG) Public Hearing

Oakland County Neighborhood and Housing Development facilitates CDBG funding for participating communities in Oakland County. With their recent reordering of the application process, we will apply only for funding for Meals on Wheels*. We will be requesting \$15,000 for funding eligible projects that principally benefit low and moderate-income persons and senior citizens but may receive less based on new County priorities.

*We will utilize the balance from previous allocations for the Minor Home Repair program.

The application requires a public hearing, and we are proposing:

Monday, October 27, 2025
6:30 p.m.
Bloomfield Township Hall
4200 Telegraph Road
Bloomfield Hills, MI 48302

The purpose of the Public Hearing is to review community development and housing needs, inform citizens of the availability of funds and eligible uses of Community Development Block Grant (CDBG) funds, and receive comments on proposed activities, particularly from low- and moderate-income persons.

The Board of Trustees of the Charter Township of Bloomfield will consider any public comments on this matter at this time. The Hearing is open to the public to voice their views or submit written comments. Questions or concerns can also be addressed by contacting Christine Tvaroha, Director of Senior Services at (248) 723-3500.

Board Recommendation:

Approve Call for a Public Hearing on the Community Development Block Grant Application, Plan Year 2026, to be scheduled on Monday, October 27, 2025, and allow for the public notice to be posted at Township Hall and on the Township website at least 10 days prior to the hearing.
