**Public Safety Millage Renewal**

Shall the Charter Township of Bloomfield renew and continue to levy the voter authorized public safety tax levy of 0.6474 mills, due to expire in 2026, authorizing a levy of \$0.6474 per \$1,000 of taxable value to finance the Charter Township of Bloomfield's continued providing of fire, police and public safety protection, for a period of 10 years, with the renewed millage to be levied commencing in December 2026. This renewal public safety millage will be subject to applicable statutory and constitutional tax limitation provisions at the time of the levy and will not exceed the above stated rate. It is estimated that this proposal would result in the authorization to collect \$4,000,000 in the first year if approved and fully levied.

Shall this proposal be adopted?

**Operating Millage Renewal Proposal**  
**Bloomfield Hills Schools**  
**County of Oakland**  
**State of Michigan**

This proposal would renew the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 9.65 mills and protect against the impact of future Headlee rollbacks of up to 4.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. The School District estimates that it will levy not more than 5.1338 mills on personal residences (owner occupied homes) in 2024.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Bloomfield Hills Schools, County of Oakland, Michigan, be increased in the amount of 22 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 9.65 mills may be imposed on principal residences, for twenty (20) years, the years 2026 to 2045, inclusive, to provide funds for operating expenses of the School District? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$18,300,000 during the 2026 calendar year, to be used for general operating purposes.
