The purpose of the proposed project is to obtain a low interest State loan to fund improvements to the Drinking Water System to improve efficiency, reduce likelihood of water main breaks, and restore capacity of aging pipes.

Project construction will involve replacements of various water mains within the Birmingham Farms subdivision.

Impacts of the proposed project include minor traffic impacts, minor lawn, and pavement disturbance.

The estimated cost to users for the proposed project will be \$36.12 per year per residential user.

Copies of the plan detailing the proposed project are available at the following location(s):

1. Online on the Township's website
2. Bloomfield Township Dave Payne Public Services Building (by appointment with the Engineering Department only) – 1153 Exeter Street, Bloomfield Township MI 48302

Written comments received before the hearing record is closed on June 14, 2021 will receive responses in the final project plan. Written comments should be sent to:

Martin Brook, Township Clerk  
Bloomfield Township  
4200 Telegraph Rd. Bloomfield Twp., MI 48302
