ASSESSMENT ROLL FOR THE TOWNSHIP OF 13 loons ill

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections I to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 1899), 12 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

13loonsfilel ASSESSMENT ROLL FOR THE TOWNSHIP OF.

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections 1 to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

536-2-00-00,130

ASSESSMENT ROLL FOR THE TOWNSHIP OF.

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied. A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections I to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

ASSESSMENT ROLL FOR THE TOWNSHIP OF 1340-14-14

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections I to S. 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 2899), 42 (as amended by Act 261 of 1897), and 43. of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

ASSESSMENT ROLL FOR THE TOWNSHIP OF Identificated

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections 1 to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

ASSESSMENT ROLL FOR THE TOWNSHIP OF 1860-Michelle

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for Enter the amount of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections r to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occuping A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all I the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections 1 to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 2890), 42 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

ASSESSMENT ROLL FOR THE TOWNSHIP OF....

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied. A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections 1 to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

[&]quot;Remarks," opposite each parcel, state for what year the reassessment was made.

ASSESSMENT ROLL FOR THE TOWNSHIP OF Bloomfield

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections 1 to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 1899), 42 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

ASSESSMENT ROLL FOR THE TOWNSHIP OF (3 horn) is is

A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections I to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

ASSESSMENT ROLL FOR THE TOWNSHIP OF ismondial

A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections 1 to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

ASSESSMENT ROLL FOR THE TOWNSHIP OF Isinguill

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied. A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections I to 8, 9 (as amended by Act 25 of 1895), 10, II (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

[&]quot;Remarks," opposite each parcel, state for what year the reassessment was made.

ASSESSMENT ROLL FOR THE TOWNSHIP OF Birmhill

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occuping. A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all lift the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections 1 to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 1899), 12 (as amended by Act 261 of 1897), and 13, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

NAME OF OWNER OR

OCCUPANT.

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied. A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections I to 8. 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 251 of 1897), and 13, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

ASSESSMENT ROLL FOR THE TOWNSHIP OF. Bhombullet

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied. A parcel of land described in the government survey by lot number must be so assessed.

A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all lands in each town and range should be assessed as "Owner Unknown."

If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for the range of the plat must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections I to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 261 of 1897), and 45, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

ASSESSMENT ROLL FOR THE TOWNSHIP OF Islorus field

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied. A parcel of land described in the government survey by lot number must be so assessed.

A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all if the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for Enter the amount of any Reassessment with red ink, in the column and the assessment thereon entered on a different line from that on Real Property.

The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections I to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 261 of 1897), and 43, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

ASSESSMENT ROLL FOR THE TOWNSHIP OF...

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all. If the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The attention of assessing officers is especially called to Sections 1 to 8, 9 (as amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895), 12, 13, 14 (as amended by Act 1899), 12 (as amended by Act 261 of 1897), and 13, of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be strictly followed. See also

Use this blank (No. 536) only for assessment of taxes in Townships. Use No. 378 for assessment of Village (it is a more convenient form therefor than No. 378.

No more than one tract or parcel is to be valued or taxed on the same line.

A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written.

In the case of platted land, the name of the plat must be is used, and in the column for If the name of the owner of non-resident land is not known, it should be assessed as "Owner Unknown."

Enter the amount of any Reassessment with red ink, in the column of taxes to which it belongs, above the tax for the year for which this roll operty.

The Valuation of Personal Property must be in a different column and the taxes thereon entered on a different line from the Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column 10.

The amended by Act 25 of 1895), 10, 11 (as amended by Act 229 of 1895) the strictly followed. See also the tax amended by Act 261 of 1897), and 48 of the Tax Law of 1893. They should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully studied and the directions therein contained should be carefully stud
