# LETTER FROM CHIEF JAMES GALLAGHER

Supervisor Mike McCready  
Treasurer Michael Schostak  
Clerk Martin Brook  
Bloomfield Township Trustees

Bloomfield Township Community,

As we reflect on the past year, it is my honor to present the 2024 annual report of the Bloomfield Township Police Department. I want to thank the residents, businesses, Elected Officials, and Trustees for your continued support and partnerships throughout the year.

Throughout 2024, our officers remained dedicated to serving our community while upholding our core values of fairness, integrity, pride, respect, and accountability. We extended a warm “Happy Retirement” to three more of our officers and command staff, bringing the total number of retirements over the past three years to 15. We are excited for the new hires and the new generation of employees eager to serve Bloomfield Township. A few other accomplishments this year include:

**Reduction in Violent & Property Crime:** Through partnerships with our specialized policing units and proactive enforcement, we have seen a 20% decrease in property crimes and a 16% drop in violent crimes.

**Community Outreach and Engagement:** We hosted town hall meetings, the Youth Police Academy, women’s self-defense classes, and various outreach initiatives to build stronger relationships with our community members. These efforts have proven invaluable in fostering mutual trust.

**Training:** In 2024, Lieutenant Jason Murphy graduated from the Northwestern School of Staff and Command, and Chief Gallagher graduated from the FBI’s National Academy Session 292.

**Mental Health Crisis Response:** We continued training our officers in Crisis Intervention Training to supplement our Mental Health Co-Responder program. CoRE remains a valuable asset to our community, connecting individuals with the necessary resources to achieve better community outcomes.

I want to extend my deepest gratitude to the men and women of the Bloomfield Township Police Department for their hard work, professionalism, and dedication throughout 2024. In partnership with our community, we will continue to build a safer, stronger, and more resilient Bloomfield Township.

# FBI NATIONAL ACADEMY

Class 292

The FBI National Academy (FBINA) was created in 1935 in response to a 1930 study by the Wickersham Commission. The Commission recommended the standardization and professionalization of law enforcement departments across the United States through centralized training. With the support of the International Association of Chiefs of Police and with authority from Congress and the Department of Justice, the "FBI Police Training School" was created. Courses at that time included Scientific Aids in Crime Detection, Preparation of Reports, Criminal Investigation Techniques, and Administration and Organization. During World War II, courses were added in Espionage and Sabotage. The NA is a comprehensive 10-week residential program of accredited instruction for law enforcement leaders from all over the world. The FBI National Academy has long been a vital element in the continuing improvement of law enforcement standards, knowledge, and cooperation throughout the world.

Bloomfield Township has members in the Troy Special Investigations Unit (SIU): a task force of police officers from Bloomfield Township, Troy, Auburn Hills, Royal Oak, and Birmingham that focuses on crimes committed within these communities, the Oakland County Sheriff's Narcotic Enforcement Team (N.E.T.) who investigate drug crimes, the FBI Violent Crimes and Gang Task Force who investigate federal crimes including robberies, conspiracy, and crime rings, and the FBI Identity Theft and Fraud Task Force that investigate fraud-related crimes.
