If the name of the owner of non-resident land is not known, it should be assessed as "Owner Unknown."
Enter the amount of any *reassessment with red ink*, in the column of taxes to which it belongs, *above* the tax for the year for which this roll is used, and in the column for "Remarks" opposite each parcel, *state for what year the reassessment was made.*
The Valuation of Personal Property must be in a different column, and the taxes thereon entered on a different line from the Real Property.
The name of each special tax must be entered at the head of the column in which it is placed.
